Animal Rescue League of New Hampshire to offer a 5k for dogs (and their owners).

Think of it as a Boston Marathon for Fido.

Concord, NH --Running the Boston Marathon might not be an option for everyone but running or walking a 5k could be, (even a dog). The Animal Rescue League of NH has announced, on the eve of the Boston Marathon, that they will be hosting Paws on the Pavement 5k, a dog-friendly race, this June 24 in Concord, NH. The 3.1 mile course will start and end at Northeast Delta Dental and run through NHTI campus. The event will raise awareness and funding for animals in need.

“Not only is this an important fundraiser for the Animal Rescue League of NH but it is one of the few 5ks in the state where your dog can participate. Your dog can even receive their own chip-timed bib and show up in the results!” – said Michelle Cherney, ARLNH Events Coordinator

Those who register for this family-friendly event by April 22nd will receive 15% off registration using code PAWS18. www.pawsonthepavement5k.com.
